

Leak Detector

HLD-200+

Order no. 0400 0033

- Low-consumption, compact size, easy to hold and carry
- Fast response, it warms up in 6s and responds in 3s when leakage detected and flashes leakage level indicator light
- 7 Grade sensitivity

Sensitivity	3g/yr(0.11oz/yr)
Response time	<1s
Sensor lifespan	≥50h
Operating mode	Qualitative
Refrigerant	All Halogen Refrigerants HCs:(eg,R290,R600a)
Alarm mode	Sound&7 LED light
Operating environment	0~52°C/32°F~122°F
Warm-up time	5s
Reset time	2~10s
Automatic shutdown	/
Display	/
Power Supply	2x1.5V AA batteries
Operating hours	20h
Charging time	/
Probe length	30.5cm/12"
Size	175×55×34mm/6.89×2.17×1.34"
Weight	312g/0.525lb
